Profile

E-Business graduate. After a prospecting campaign and a week in the field in Birmingham, my team and I won an order of more than 10,000 units from a major hotel. I have also audited the digital maturity of Walloon SMEs, face to face with their managers. I can assess a company's online presence and explain in simple terms what it can bring them.

Key figures

- **10,000+** units sold in a single B2B order, while coordinating a team of students
- **~10** digital audits of Walloon SMEs, 3 of them on site
- **5 years** of face-to-face customer contact, alongside my studies

Sales and field experience

Front-of-house customer service (student jobs), Hospitality – 4 establishments

Liège

- 5 years of face-to-face customer contact in fast-paced environments
- Order taking, advice and handling demanding customers
- Resilience under pressure and consistency, alongside my studies
